President's Corner January 2024

2023 just flew by, it was great to be able to be out and about and away from COVID restrictions, I hope you all enjoyed it as much as I did. 2024 is going to be another great year, so get out and visit your favorite resort or beach or join one of the many travel clubs in Florida. All of the resorts are gearing up for the New Year's Holiday weekend with great parties in store. Check your favorite resort's website for what they have planned. Also, check out Space Coast Naturists, they usually have a New Year's Skinny Dip.

AANR-Florida will be holding its Winter meeting at Cypress Cove Resort in Kissimmee, Florida on January 12 and 13. Friday evening at 7:00 PM we kick off the weekend with a reception catered by Cypress Cove. The food is always terrific and we thank them for volunteering to host this event. Please feel free to join us and come out and meet the AANR-Florida Board and AANR members from throughout Florida and beyond. The Winter Meeting will be held on Saturday from 9:00 AM until 5:00 PM and all are welcome. We will be having some special giveaways from Nudism.TV so plan on attending. Please join us and give your support and comments to the AANR-Florida Board.

Also mark your calendars for AANR's Winter Meeting which will be held February 1-3 at Lake Como Family Nudist Resort in Lutz, Florida. All AANR members are encouraged to take part in this event. Later in February Sun Sport Gardens in Loxahatchee will be hosting the Nudist Mid-Winter Festival beginning on Thursday, February 15, and concluding on Wednesday, February 21. Please come and participate, I will be hosting four different workshops this year during the festival and would love to meet as many members as possible. As always enjoy the freedom.

January 2024 Issue of *The Bulletin* Dedicated to Government Affairs

This special edition of AANR's monthly members' publication features a large number of updates about the many ways that AANR and its regions are working to protect nudist rights. A special message from Ramon Maury, the AANR Florida region's government professional in Tallahassee appears in the issue among the articles.

WELCOME 2024

Joan Harris, Interim, AANR Trustee

Happy New Year to all! I hope you all enjoyed the season of festivities and are now enjoying the relative calmness that usually follows it.

New Year resolutions are not something that I usually pay much attention to. Too often they are big wonderful ideas, that are almost impossible to attain and quickly broken: finally clearing out the garage that has been too full to park a car in since 1985; quitting whatever "bad" habit that you've indulged in for the last 30 years;

exercise more. We're all familiar with them!

Here is an easy resolution to make and keep. Be nude outside more often! It won't do anything to deal with those problems listed above, but it will be good for you - physically, mentally and intellectually. Florida nude clubs and resorts really shine in the winter time. Sitting poolside while reading news about blizzards and freezing temperatures up north is a delight. There is great opportunity to meet new friends. Clubs are hosting many northerner visitors trying to get way from those blizzards and freezing temperatures!

Remember that AANR Florida is holding the annual Mid-winter Meeting at Cypress Cove Resort January 13. If you cannot attend in person, please plan to attend via Zoom. The new budget will be presented and voted on and plans for the up-coming election in June will be a topic of discussion. The AANR Florida Board welcomes the input of all members. We are here to serve you and really value your suggestions and ideas, and welcome your questions.
