She went over the amounts with Edward James’ accounts and mentioned that she is happy with the change that we made back in August of last year. Ralph mentioned that the increase of direct members is directly due to the efforts that Joe and he made by making phone calls to people to make them sign up again.

C. Support for AANR-West’s legal efforts Joe

Motion #2 – Motion is to donate \$1,000 to AANR-West to help with the lobby cost.

Maker: Joe Rives

Second: Margaret Young

Discussion: Paul said that indirectly the lobbyist effort in Arizona could help Florida. The Arizona congress will reconvene in the house to look at HB2133 which is the bill we have been talking about with photos and stuff like that. The sooner we can kill this bill the better for Florida.

Motion Passed Unanimously

ii. Bank (\$400)

Motion #4 – Motion to allocate \$400.00 to United Naturists to cover the threshold at the current bank

Maker: Joe Rives

Second: Dave Berry

Discussion: Find a different bank or credit union so that you are not being charged a monthly fee. Several Credit Unions were mentioned.

Motion Failed

Ralph mentioned that Joe and he have been trying to find other travel groups. If anyone knows of any group out there, let Jor or Ralph know. Ralph talked about the video that he saw recently of Hidden Lake. Michele mentioned that her friends of the birthdaysuitnomads group is going around the country, visiting other resorts, and documenting their visits. The video that was about Hidden Lake was done just recently and shared on U-tube, FB, and other social media. Another thing: Some of the clubs around the country offer coupons through the AANR membership program as a freebie to the club. This year Cypress Cove did not get the freebie as their membership numbers are down and they had to pay if they wanted to offer the coupon.

Why can't the regions do this with our clubs? LuAnn suggested having an ADHOC committee put together to work on this to see if it is something we can offer. Committee members are Ralph, Margaret, and Joe.

No meeting next month unless needed.
